

around; time was shortly after New Year.

George Green:—Was policeman prior to time row took place at Bertelmann's; was notified to assemble with squad at telephone building, corner Merchant and Alakea streets; was stationed there with squad; saw Bowler come out of Gulick's gate near fruit store; met him outside and talked with him.

A. G. M. Robertson:—Remembered going into the Criterion saloon on evening of December 29th in company with George Bruns; saw Bowler there; Bowler took Bruns off one side; Bruns told witness that Bowler wanted the same thing that Bertelmann did; previously Bertelmann had asked Bruns to go into movement; at Bruns' request witness reported conversation to marshal.

W. O. Smith:—Am Attorney-General; Government knew nothing of landing of arms until Sunday 6th, notwithstanding all efforts made on our part to learn of such.

M. N. Sanders:—Know Bowler; saw him on morning of 4th January about midnight; saw him at 290 back stand; heard him ask Blackburn where John Radin was; saw no more; my men searched Waimanalo on next morning at 5 o'clock when she came in; man could walk from where witness saw Bowler to Cunha's new building in about two minutes.

F. Blackburn:—Hackman at 290 stand on corner Fort and King streets; saw Bowler at back stand at 12 o'clock Thursday night; asked witness where Jim Brown was; he said, "he's a fellow; he knew I was coming;" asked witness where Radin was; came from back of where witness was; Bowler then went up same side of King street.

Judge-Advocate stated case closed for prosecution.

Mr. Neumann explained that he was unable to go ahead with the case as he could not get witnesses, one of whom had left the country on the 22d of the month. Two of witnesses for defense are confined in Oahu prison. He requested that the Court adjourn until Tuesday morning. He also desired to survive these trials, and would use same argument in case of V. V. Ashford, one serving for both. At 3:50 the Court adjourned until 10 o'clock Tuesday morning.

LESSON OF MARTIAL LAW.

Reformed Drunkard Calls Attention to Temperance Facts.

MR. EDITOR:—As the Honolulu public can see the good which has resulted from martial law, I have no doubt but that they will all come forward as loyal prohibitionists and get up a petition to keep it in force all the time. It has done great good to the community. No more we see the working man spending his hard-earned wages in the "whiskey death dens;" no more we see the public streets infested with "saki fiends;" no more we hear the many intoxicated voices disturbing the peace in the quiet of night or early hours of morning. No! It seems they have all reformed, or are perhaps compelled to. Martial law is a great thing when one comes to realize the good it has done. I think it is high time that those bartenders cast their white aprons and glass diamonds aside and go and shovel coal or truck sugar instead of sipping up a man's pocket when he enters their deathfalls. Yes! It is time the lazy bartenders did some work.

The innocent wives and children realize the great good which has resulted from martial law. The wives find their husbands and the children find their fathers at home in the early hours of the evening to comfort them. As long as this law is in force none other but good results will follow.

Now I ask, who would not be in favor of martial law? Now is the time to get up a petition. Let the ladies have an equal right on this subject. Now is the time for every good citizen and total abstainer to come forward and put this through.

May I say with my readers, if martial law should be revoked I would suggest that all liquor licenses be cancelled, and let the Government run the saloons and sell good pure liquors? As bad liquor has had a great deal to do in our late disturbance, I think it would be far better for the Government to run the "Liquor Ring" than have the "Liquor Ring" trying to run the Government. Sincerely yours,

A REFORMED DRUNKARD.

PLEDGE THEIR LOYALTY.

Resolutions Adopted by Squad No. 1 of Citizens' Guard.

The following resolutions were unanimously adopted by Squad No. 1 of the Citizens' Guard at a meeting held on the 25th inst. at the residence of Mr. B. F. Dillingham: To SANFORD B. DOLE, President of Republic of Hawaii:

DEAR SIR:—We, the undersigned, members of the Citizens' Guard, hereby express our entire confidence in your wisdom and good judgment under the trying circumstances of the present situation.

We desire you to understand that we are in hearty accord with you in your determination to preserve the Republic from any possible renewal of rebellion, by dealing out impartial justice; and

We pledge to you, in the future as in the past, our unwavering support of the course which you shall deem best for the interests of this Republic.

"FOREIGN BORN ALIENS."

Kohala Men Who Consider Themselves as Such Make Statement.

TO THE EDITOR OF THE ADVERTISER.

SIR:—We the undersigned residents of Kohala, knowing that the statements made by your Kohala correspondent and published in your issue of the 18th instant concerning those whom he terms "foreign born aliens," were intended to apply to ourselves and our friends, desire to state that they are all utterly false and without foundation, and we believe that they were made wantonly and with intentional malice.

WAS DOING HIS DUTY.

Carter at Bertelmann's House as a Member of Citizens' Guard.

MR. EDITOR: It appearing from a purported interview with W. H. Cornwell, published in the San Francisco Call, that Mr. Cornwell endeavored to represent that Mr. Carter's death was the result of his over-officiousness, I desire to state:

That Mr. C. L. Carter was a member of the Citizens' Guard, duly commissioned as a special police officer, as was also Mr. A. W. Carter. Mr. J. B. Castle was a member of the company of sharpshooters. And when they went to the assistance of the officers, after they had been fired upon at Bertelmann's house, they were in the performance of their duty.

It was a dangerous duty, and was performed without hesitation and as only brave men would do. Their action, together with that of the regular police officers, undoubtedly prevented a dreadful slaughter of men, women and children in this community.

HERBERT NOT TO BLAME.

The Secretary Wanted War Vessels Sent to Hawaii.

WASHINGTON, Jan. 20.—A gentleman who enjoys the confidence of the Secretary of the Navy says that he has not been in accord with the President and Secretary Gresham respecting the maintenance of a fleet of war vessels at Honolulu. Secretary Herbert has all along considered the Pacific waters the most important to this country from a naval standpoint, and when he was chairman of the naval committee in the House he always advocated the maintenance of a good fleet of vessels on that coast. It is also known that he thought this Government should be strongly represented at Honolulu. He has been overruled by his chief since he entered the cabinet, and has not had altogether his own way.

Isenberg's China Wedding.

The twentieth anniversary of the wedding of Mr. and Mrs. O. Isenberg, of Kekeha, Kauai, occurring on the 16th of January, their numerous friends gathered at their hospitable mansion to tender to the happy couple their warmest congratulations. While enjoying a bounteous lunch spread on an exquisitely set table, the happy guests toasted the couple and wished them many returns of the joyous day. A collection of exceedingly tasteful chinaware in the drawing-room testified to the high regard which Mr. and Mrs. O. Isenberg hold in the estimation of their friends.

Played the Taro Patch.

The Harvard Glee, Mandolin, Guitar and Banjo clubs recently gave a series of concerts in Ohio and Kansas. A Kansas city paper says: "Jimmy" Wilder, the law school student from Honolulu, Hawaii, made a hit with some of his native songs. Wilder is quite proficient in the use of a queer little instrument, a barbaric cross between a mandolin and a guitar."

Miss M. E. Green, whose contemplated trip to Hawaii on temperance and evangelist work has been postponed several weeks on account of the disturbed state of affairs, sails this afternoon on the Kinau, to be absent some time. She will labor first in Hilo.

AN AMUSING INCIDENT.

How Minister Thurston Surprised His Fellow Passengers.

Lorin A. Thurston, Hawaiian Minister to the United States, was the victim of an amusing incident on the trip of the Auranis, on which he was a passenger, says the Washington Star. Although the child of New England parents, the tropical sun of Hawaii has made Mr. Thurston very brown. During the first half of the voyage of the Auranis he was compelled to remain in his room on account of seasickness. His first appearance on the vessel was made at a concert. Some one suggested that he make a speech, and he promptly arose and bravely delivered an address in the Hawaiian language.

Although no one understood him he received much applause, though several of the passengers made jocular remarks in English, which it was thought he would not understand. At the request of some of the passengers he sang the national anthem of Hawaii. Then an effort was made to inquire of him why he had never learned English, but the Minister only looked at his questioners with a blank expression on his face. Finally the absurdity of the affair caused him to burst into a hearty laugh. Then he astonished as well as embarrassed some of his fellow passengers by delivering a few choice sentences in English. Those who were inclined to chaff the supposed Kanaka thought the shoe was on the wrong foot.

SEIZED ORANGE TREES.

They Were Shipped From Honolulu in the Australia.

Executive Officer Alexander Crow of the State Horticultural Commission made a seizure of pest-ridden trees on the steamer Australia, which is of more than ordinary interest, says a late Examiner.

Acting upon information that several persons in this city and elsewhere had been ordering orange trees from the Hawaiian islands, Mr. Crow searched the Australia and found a consignment of trees infected with the lecanium, or soft scale, thus far a stranger in California orange groves. The entire consignment was seized and destroyed.

"This scale," said Mr. Crow, "is to be feared, and I cannot understand why Californians saving any pride in the fruit interests of their State would send for trees infected with such a pest. The scale is rampant in Hawaii, and we do not want it here. This office will use every vigilance to prevent such trees from being landed here."

NO SIGN OF PEACE.

THE WAR between Japan and China is still on, although active work in the field has been suspended until spring.

Through my agents, I made arrangements before war was declared for an immense stock of goods to be shipped as I required, consequently I can afford to sell at the same low figure.

Ex Bentala I received a consignment of goods comprising all the latest and freshest designs in Dress Goods, Scarfs, Morning Gowns for ladies and gents, Silk Kimonos, Smoking Jackets, Silk Pajamas, Japanese and China Ware, Screens, Portieres, Lamp Shades, etc.

The latest thing in Lacquer Ware, is the Cherog Lacquer made up in handsome designs which cannot help to please the most fastidious.

There are a great many homes having zinc-lined bath tubs that are in good condition with this one exception: they lack the features of a porcelain lining. How to overcome this without going to the expense of getting a new tub, has been a question that has worried a great many.

One pot of our WHITE ENAMEL PAINT will do the work, forming as it does a GLOSSY SURFACE, almost equal in hardness and durability to that of porcelain itself, being at the same time hardly distinguishable from porcelain.

Consult your physician and he will tell you by all means to paint your bath tub with Enamel Paint.

The KEYSTONE EGG BEATERS are little gems. Try one if you want your eggs quickly and thoroughly beaten. We also call your special attention to our economical BARREL and CYLINDER CHURNS, they are easy workers, have all sizes and prices.
